

## Neil Meredith

**Position:** Director

**Company:** Cadcoe

**Sector:** Training

**Constructing Excellence Region:** South West

### What's the day job?

Looking for the right partners for our unique training business and working as an advocate of young learners in the construction sector

*"Talking to like minded people and learning from their experiences is always a good thing."*

### What has been the highlight of your career?

Making my league debut for Shrewsbury Town FC in 1985

### What has been the most challenging moment of your career?

Making my league debut for Shrewsbury Town FC in 1985! 😊

### What are your views on the hot topics in construction?

We are not going to solve all the problems we have without engaging youngsters energy and their innate abilities with software. Training a new collaborative breed of engineers is the only way to overcome the challenges we all face.

### What do you think/hope the construction industry will look like in the future?

Younger and more collaborative please.

*"We are not going to solve all the problems we have without engaging youngsters energy and their innate abilities with software."*

### What do you like to do in your free time?

Keep fit and spend time with friends and family

### What did you want to be growing up?

Professional Footballer

### What was your first job?

Professional Footballer

### Where is your favourite place in the world?

Santa Monica and Venice beach in California

### If stranded on a desert island, what would 3 items would you take?

A book  
A beer  
Pictures of my kids

### How did you get involved in Constructing Excellence?

One of our partners suggested we attend some meetings and we find it a very useful group to be part of.

### What are the benefits of CESW membership?

Talking to like minded people and learning from their experiences is always a good thing.
