About the 2023 charity

What is BillyChip?

The BillyChip is a safe, secure currency for businesses and the public to support homeless people and rough sleepers. It's named after its creator, 20 year old Billy Abernethy-Hope.

Billy never got to see his amazing scheme hit the streets or witness the positive difference it has made to so many peoples lives. Tragically Billy lost his life in a motor bike accident whilst travelling through Thailand in 2018. The scheme was launched in 2019 in his memory by his dad and sister, Jon and Meg. For more information visit:
